

Glendale Seminar-June 13th

Survey Responses (35)			
Q1: Time Convenient	Yes- 34 Drove down from Flag	No-1 Wrong time change	Additional Comments:
Q2: Information Useful	Yes-32 -Presenters knowledgeable -Good introductory course material -New to SWPPP -Thorough/interactive -Informative -Some info -Insight into City, County & ADEQ mindsets -Clarification -Updated info -Very Informative -Esp from Raskow to Sydnor -Good info on BMP's -I have no experience at all w/SWPPP -I knew nothing -All information is useful -I am an inspector with a 3 rd party company -Good info from all sides (i.e. municipality, contractors and consults)	No-3 Blank-1 (one y & no) -ADEQ Rep had no clue of what is going on -Most information on CGP -Need more specific info on permits	-Appears MS4's are only covering themselves as far as their permit is concerned. ADEQ has only 2 inspectors for the entire state. Spencer did not know what is done on an ADEQ Site inspection. -Good Job -Need more slides of topics -Inspection checklist -permit documents -Slides of various violations -Kevin Boesch is an awesome source of information -Any in North or NW AZ? Thanks -Todd Daugherty Desert Services 480.2267.4905 Todd@desertservices.net -Make sure Presenters prepared materials. First group was not prepared.
Q3: More Workshops/ What topics	Yes- 33 -Permitting -Inspections, MSGP -Provide updates or revisions of current practices -Factual information regarding CGP -More in depth about ADEQ/CGP -Inspection Checklist -Enforcement options -New rules/Revisions -All -Drywell/retention basins -Step by Step SWPPP -SWP -Anything on Stormwater -Design -Application Process (Storm member) -Stormwater	No-1 Blank-1	
Q4: How did you hear about seminar	N/A-Question was added after 1st seminar		

Gilbert Seminar-June 20th

Survey Responses (30)			
Q1: Time Convenient	Yes-29	No-1 Breaks up the day too much (driving from Yuma)	Additional Comments: -Need Coffee, please -Send email confirming registration and send email reminder -Overall it is very informative and helpful. I would like to see more info on multi-sector permits since our company works both construction and MSGP. -Speakers were very knowledgeable. It would be beneficial to receive business cards or contact information. -More Food
Q2: Information Useful	Yes-30 -Was able to see how to get permits -Good Refresher info -Good Review -Good update of regulation -Good to have diff. viewpoints on topics -Q&A was excellent -All information useful -All good info-I'm new to SWPPP's -Learned what to include in SWPPP -Good-New Updates -Good-Very 101 -Good Combination of info -Learned that SWPPP includes stormwater management plan and site Plan -Seminar introduced valuable panel talks -Initiates common questions leading to great discussions to some common issues -Good because I'm an inspector -Good b/c discussed BMP's -Good Pics/Examples -Good Practical application -It gave contractors/consultants an idea of what the regulator is looking for.	No-0	
Q3: More Workshops/What Topics	Yes-29 -MS4 Permits -Oversight and inspections -Permit, Annual Reports -Inspection violations from ADEQ -Industrial Stormwater -More In-depth -How to conduct a site inspection -Specifics on SWPPP preparation -Once ADEQ is finalized -Implementing BMP's, workshop for putting a SWPPP together -SWPPP and Residential home builder sites -More discussion of on-site retention and permit applicability -Update on New CGP and MSGP's	No-1	
Q4: How Did you Hear about workshop	STORM Town of Gilbert ADEQ Email Email ADEQ Cameron Flown ADEQ Notification Email Internally per supervisor ADEQ ADEQ email We are STORM members	ADEQ STORM email Email ADEQ reminder My supervisor ARPA Pinal County SWPPP inspector Pinal County SWPPP inspector City of Chandler MCES email ADEQ Email
