# MS4 Permits

**Cities and other entities with storm sewer systems have permits from ADEQ for stormwater discharges to waters of the US.**

# STORM

STormwater Outreach for  
Regional Municipalities

*Only Rain in the Storm Drain*

[www.azstorm.org](http://www.azstorm.org)

## This seminar will:

- Provide useful information on MS4 requirements and expectations for the construction industry
- Help STORM meet MS4 permit requirements for Business Sector education/outreach
